Support Art, Conservation, and Young People

The *Our Heritage, Our Future* Calendar showcases endangered Tompotika wildlife as brought to life in the work of Tompotika high school artists.

Each month features a different native Tompotikan animal drawn or painted by one of twelve talented high school students from AITo's 2009 Art for Conservation workshop. Also included is each artist's photo, a short description of the species, and Indonesian and U.S. holidays--all bilingual in both Indonesian and English.

The calendar is printed on recycled, FSC-certified paper, and is being distributed free of charge in Tompotika to promote pride in and awareness of Tompotika's rich natural and cultural heritage. Your purchase helps support this and other AITo conservation programs.

Pricing: 1-2 calendars: \$15 each; 3 or more \$12 each; plus \$2.50 shipping and handling per address

Yes! I want to help support Art, Conservation, and Young People!
